SUMMARY

I am a Frontend Developer with expertise in crafting responsive and user-friendly web interfaces utilizing HTML, CSS, JavaScript, Tailwind CSS and React. My hands-on experience spans various real-world projects, including e-commerce applications and role-based systems. I am committed to writing clean, efficient code and continuously optimizing performance to enhance user experiences

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, ReactJS, Tailwind CSS

Programming: C, C++, Python

Database: MySQL, SQL, MongoDB

Tools: Git, GitHub, VS Code.

Soft Skills: Adaptability, Communication, Teamwork, Problem Solving.

WORK EXPERIENCE

Web Developer Intern - Jinarth Infotech

Dec 2025 – Apr 2026

- Developed responsive web pages using **HTML**, **CSS**, **JavaScript** and **React.js**.
- Built reusable UI components and improved accessibility.
- Collaborated to improve performance and responsiveness.

MERN Stack Intern - BrainyBeam Info-Tech Pvt. Ltd.

May 2025 – June 2025

- Built a mini e-commerce application using **React.js**, **Node.js**, **Express**, and **MongoDB**.
- Developed reusable UI components with props, hooks, and state management.
- Integrated backend APIs, handled authentication, and used GitHub for version control.

PROJECTS

Placement Management System (MERN)

- Built a placement management system with dashboards for admin students and companies.
- Implemented job postings, application tracking, and data management.
- Designed responsive UI and integrated backend APIs.

My Homies – Flat Finder (MERN)

- Created a housing/roommate finder platform with search and filtering features.
- Developed user authentication, listing management, and fully responsive layouts.
- Optimized page loads and improved user experience using React hooks.

College Feedback System (HTML, CSS, JavaScript, PHP, MySQL.)

- Built a role-based feedback system for faculty, courses, and infrastructure.
- Implemented dynamic feedback forms with CO-based evaluation.
- Designed admin dashboard with PDF/Excel report generation.
